FIAP Best author

Michael Strapec (Ireland)

I was born in Dolny Kubin in Slovakia but living in Ireland since 2006..

Here I made my first photography steps around 2012..

In 2016 I decided to join local photography club to meet people with same interests and also tried to improve my photography skills.. I opened the right door.. The door into the world of art photography!

I decided to go my own way and create my own style.. I love fine art and creative portrait photography.. That's my passion, my obsession! I love images with feeling and emotion. Images with the soul.. In salons and exhibitions I've been awarded the Irish Photographic Federation and SACC photographer of the year 2020 in Ireland..

One of the biggest success was to win the first place in "Mental health International exhibition of photography" in Iran in 2021.. Where one of my images took the first place out of 30,000 images.. Also I've been awarded several times with the FIAP blue pin for the best author.. And that's always an amazing achievement for me..

In the end I would like to say a big thanks to organisers of summer, sea, sun and also to jury for awarding me the blue pin!
